Product Catalogue

LSGgroup

Welcome

Dear Customer,

We constantly strive to adapt our product range to the needs of the market, as we hope you have already experienced. Customer satisfaction is our highest priority, which we aim to achieve through perfect service, innovation and sustainability.

To help you find the products you are looking for, whether that is a complimentary snack for your passengers or a buy-on-board product, we have created this catalogue.

We aim to give you an overview of the trends and possibilities that are currently available in the market. We have concentrated on the core product categories and have included a selection of our product range, but LSG Group is able to fulfill almost any wish you have, as we have done in the past.

Together with you, we at LSG Group would like to create an even more diversified offering in order to better and more efficiently meet the needs of your passengers.

By creating this catalogue, we hope we have helped you in your decision making process and are looking forward to intensifying our business relationship in the future.

How to use?

As a specialist in the area of onboard service LSG Group can offer an exceptional variety of products in numerous categories. This catalogue is designed to give you an impression of the variety found in our current offering.

In order to meet and exceed passengers'/consumers' expectations and needs and to enable our customers to differentiate by means of attractive onboard concepts, the following pages provide you with an insight into our rich portfolio and will support you in generating new ideas. Our expertise reaches beyond the creation and production of authentic menus and includes packaged food and beverages. Whether Halal, Kosher or organically-cultivated products – our expertise allows us to fulfill any of your requirements. Our sourcing capabilities boast a global reach.

Please kindly consider that pricing varies depending on the requested volume. For your convenience, the price list attached includes minimum order quantities and order lead times.

We are confident that our offerings will facilitate your sourcing activities by providing a great variety of products from a “one-stop” shop. We look forward to creating your perfect portfolio.

Sweets

From a culinary point of view nothing makes happier than confectionery. Small pieces, different packages (on request personalized), biologically, fair trade, whether wine gums or licorice, chocolate, bars, candies, pastries or cookies – for all tastes we have the right choice.

Aviateur

Since the early thirties, Aviateur bakery has been offering a comprehensive assortment of high-quality cookies and cakes. It's a dynamic family business focused on customer-oriented working, flexibility, and sustainability. These topics are essential to a successful operational management and collaboration with our buyers. Each cookie is manufactured using the most innovative and advanced production processes, yet always according to traditional recipes.

Jules Destrooper

Since the very beginning in 1886, Jules Destrooper has only worked with the best ingredients: fresh farm eggs, sun-ripened Valencian almonds and superior Belgian chocolate. But most importantly: real, pure butter. When it comes to biscuits, we believe less is more. No compromise on the quality of the ingredients, no additives, more flavour.

foodloose

IT'S NATURAL. IT'S LOVE.

foodloose was founded in 2010 by Katharina and Verena, two university friends. Their aim was to revolutionize the snack market by selling snacks based only on natural ingredients. Today, foodloose bars are already available in roughly 3000 points of sale throughout Germany and Europe.

foodloose nut bars are solely made using organic nuts, fruits, seeds, spices and lots of love. There is no need for food additives or cheap ingredients. All recipes are based on Katharina's and Verena's travel memories or personal experiences. That is what makes them so special and delicious!

Customers are becoming more and more conscious about what they eat. In addition to that, many follow special diets. foodloose offers the perfect answer to these trends, since foodloose nut bars are not only natural and certified organic, but also vegan, gluten- and lactose-free.

Neuhaus. Original Belgian Chocolate.

Inventor of the original Belgian praline

To delight his customers in his apothecary in Brussels, Jean Neuhaus covers his medicines with the finest chocolate to make them more palatable. Later, Jean Neuhaus Jr. evolves his grandfather's idea into the original Belgian praline as we know it today: chocolate filled with delight.

A symphony of taste and texture

Our chocolates are a symphony of taste and texture, made with the finest natural ingredients, composed with the utmost care by our Maîtres Chocolatiers.

Made in Belgium since 1857

For more than 160 years, Neuhaus chocolates have been crafted in Belgium with the finest ingredients from the best regions of the world and it's our firm commitment to keep it that way.

Mars

In 1911, Frank C. Mars made the first Mars candies in his Tacoma, Washington kitchen and established Mars' first roots as a confectionery company. In the 1920s, Forrest E. Mars, Sr. joined his father in business and together they launched the MILKY WAY® bar. In 1932, Forrest, Sr. moved to the United Kingdom with a dream of building a business based on the objective of a "mutuality of benefits" for all stakeholders – this vision serves as the foundation of the Mars, Incorporated we are today. Our ways of conducting business have remained the same since those beginnings and are firmly enshrined with the Mars 5 Principles. Quality, Responsibility, Mutuality, Efficiency and Freedom.

Mars fabulous range of Chocolate brands give options for all occasions that a traveler could require, such as catering, snacking consumables and gifting.

Article 6018, 0.02 l

Gallo

Passion for Olive Oil since 1919

Founded in Portugal in 1919, Gallo is synonymous of Portuguese soul and tradition. Our aim is to bring olive oil into every nation's diet plans. We want consumers to know more about the benefits of this "liquid gold" and to understand how it can be a part of every cuisine. The reputation of Gallo Olive Oil was built with strict quality standards and constant learning. Making outstanding olive oil implies extensive knowledge, training and dedication.

That is why we have been studying and testing olive tree varieties for a long time, the best ways to grow them, the perfect moment to harvest the fruits, optimizing the way to run the mills, so that the final product has the full body, flavor and perfume that only Gallo can make.

DARBO **calory-reduced jams in minijars,**
assortment with different flavours

Article 6020, 60 pcs à 28 g

With Darbo's low-sugar strawberry jam and orange marmalade in mini 28 g jars, you no longer need granulated sugar to get your dose of sweetness. They are made using a special recipe that replaces granulated sugar with sorbitol syrup. Carefully selected fruit and a gentle production process are also guaranteed here – naturally.

Darbo's All Natural mini jars also offer the possibility for personalization: combining Darbo's exquisite jams with your company's name or logo for printing on the lid.

DARBO Blossom Honey in minijars

Article 6023, 60 pcs à 28 g

DARBO All Natural Preserves in minijars,
assortment with 12 x 5 flavours

Article 6024, 60 pcs à 28 g

Darbo All Natural jams are available in attractive mini jars designed specifically for the foodservice industry. Darbo All Natural jams are based on an old family recipe. Just like back then, we only use high-quality fruit that is gently heated and stirred, thus preserving its natural flavour. The high fruit content of up to 55 % also ensures that our jams provide an unforgettable taste experience.

Darbo

The Darbo family began making jams and syrups from fruit in 1879. Darbo is now a well-known medium-sized family firm that makes high-quality products at three sites in Austria for restaurants and hotels as well as for the foodservice and food processing industries in Austria and abroad.

A great morning begins with a good breakfast. Darbo offers a wide range of handily pre-portioned fruit spreads for your buffet. Whether your guests favour the classics – apricot, strawberry and raspberry – or would prefer a blueberry or peach spread to make the start of their new day that little bit sweeter, Darbo is the right choice in any situation.

DARBO **fruit spreads in portion cups,**

Drinks

Through our many years of experience in beverages we can help you to choose the right assortment. We sell for example wines from around the world, bought directly from the winemaker and have the necessary knowledge to assess which wine in the air will meet your requirements.

Scheibel Distillery

For over 90 years the Scheibel family has dedicated itself to the creation of pure fruit spirits that you not only taste, but truly experience. This production of pleasure represents real pioneering spirit: traditional distilling wisdom, craftsmanship and visionary methods are constantly rethought to produce unique results. Scheibel shows this by distilling the products over pure gold using the so-called Scheibel-Auria Procedure. The heart of the distillery is lined with this precious metal. It harmonises the flavours and produces a complex full taste.

 CHARDONNAY QUALITY
 SPARKLING WINE WHITE**

Article 7008, 0.20 l

Fermentation takes place at a very low temperature in order to preserve the aromas. The second fermentation follows in bottles during 9 months.

GCF

Les Grands Chais de France was founded in 1979. CEO and founder of the group, Joseph Helfrich is now the biggest French wine exporter in the world. The discretion of the group does not hinder its evolution. In fact, distributing 470 million bottles in 173 different countries every year, GCF has become one of the most significant players in the world of wine. Joseph Helfrich's success does not stop there – he is also a wine grower and owner of close to 3000 hectares of vineyard in the most prestigious French wine growing regions. Solidarity amongst his family, wife and children fuels his success across all continents.

**TOURELLE THOLOMIES SYRAH
 IGP PAYS OC RED**

Article 7009, 0.187 l

The grapes are harvested when ripe, destemmed, crushed and then fermented for 6 to 12 hours at a controlled temperature and pressed gently. The wine is matured in stainless tanks to conserve the rich aromas.

**TOURELLE THOLOMIES CHARDONNAY
 IGP PAYS OC WHITE**

Article 7010, 0.187 l

The grapes are harvested at perfect maturity and pressed quickly at low temperature. The must is left to settle at low temperature for around 12 hours with sulphur (SO2) and yeasts. Fermentation takes place at low temperature (15-17°C). Alcoholic fermentation lasts one week. The wine is then clarified and stored under inert gas at low temperature.

**2016er RESERVE

S.Pellegrino and Acqua Panna

Cool refreshment, balanced taste, Italian lightness – a spirit that all Sanpellegrino products share.

The water gains its perfect mineralisation in the depths of the Lombardy Alps, while the still Acqua Panna derives from the heart of Tuscany. Also a firm part of the product family: the fruity, sparkling Sanpellegrino lemonades.

Perrier

Its Intense sparkle makes the mineral water from Vergèze in the south of France excellent for mixing. A healthy, natural flavour experience providing refreshment for more than 150 years.

Vittel

The once insider's tip has long since developed into an international lifestyle water. Vittel has lots to offer: its balanced mineralisation and low sodium content make the mineral water from the Vosges the ideal thirst-quencher for those who appreciate a refreshingly light taste.

Article 7062, 0.25 l

Inspired by functional drinks from the Far East, Dietrich Mateschitz founded Red Bull in the mid 1980's. He created the formula of Red Bull Energy Drink and developed the unique marketing concept of Red Bull. In 1987, on April 1, Red Bull Energy Drink was sold for the very first time in its home market Austria. This was not only the launch of a completely new product, in fact it was the birth of a totally new product category. Today Red Bull is available in 171 countries and over 62 billion cans of Red Bull have been consumed so far.
